

Book list S5 2021-2022

General materials needed

- School diary
- A4 work books (lined and squared)
- Pencils and eraser
- Pens (black/blue and some colours)
- Glue
- Highlighters
- Scissors
- Protractor triangle/ruler
- Compasses
- Folders for copies

• **Bring Your Own Device (BYOD)**

In accordance with the characteristics required by the mathematics and physics syllabuses for secondary years s5 and s6 of the European Schools and by decision of the group of experts, which convened on 23 April 2021, for the beginning of the 2021-2022 school year in September 2021, years s5 and s6 students must have:

- a device allowing the GeoGebra Suite or GeoGebra 6 software (see characteristics of the device below);
- a non-graphing and non-programmable scientific calculator for the first semester examinations of the 2020-2021 school year (the model used in previous years, where applicable, may be sufficient).
So simple calculators you could use/buy are the casio fx-82EX, casio fx-85-ES or TI30X IIS, TI-30XS MultiView

For students in S6 who already bought and used their device in S5 the following recommendations don't hold.

Chromebooks and android-based devices are not allowed because they do not support all the software in use in school.

The parents are free to choose any other device but it is strongly advised to choose a laptop or tablet with the following specifications:

- Operating system: Windows 10 or Mac OS X. (Linux is allowed, but with a dual-boot windows option)
- Connections:
 - Integrated Wifi-antenna
 - Minimum 2 USB-A port, or integrated USB-C port with adaptor for USB-C to USB-A

- Processor: recommended at least Intel Pentium or AMD E2/A4 Dual Core, equivalent or better
- Memory: At least 4GB RAM and at least a 128 GB hard drive and a SSD is recommended
- Screen:
 - At least 10.8 inch, a maximum of 12/13 inch. (14/15 inch is fine however, less space on the table)
 - **Touch screen and stylus pen are strongly recommended.**
- Battery life: A long battery life and/or spare battery
- Keyboard: Integrated or external
- General:
 - Lightweight, for ease of transport and use
 - A protective case
- Software that needs to be installed:
 - Geogebra classic 6 or Geogebra Suite
 - Microsoft Office 365
 - Every student has a license to install Microsoft Office 365 on a maximum of 5 different devices. (If needed, ask a teacher for help with installing the software)
 - Virus protection
 - pdf reader (e.g. Acrobat Reader)

Books

Course for all students: General courses

Course	Title	Author	ISBN	Publisher	Where to order	Price
Art	Pencil, HB, 2H, 4B, Black Fineliner, Eraser, Sharpener.				Available in many art shops or online.	
	Hardcover sketchbook. You can buy a sketchbook in class for +/-€ 7,- or use your sketchbook from last year.					
Music	Folder to keep sheet music and hand-outs					
Physical Education	Appropriate and comfortable sport clothing long or short sleeves and pants. Shoes for indoors (which will not leave marks in the gym, preferably no black soles) and for outdoors. Students with long hair should bring an elastic to tie up their hair.
